### **Serpent Strikes For Dragon**

20 FEB 2013

Cambridge trainer Murray Baker believes **Serpent** will show his true ability when stepped up over a middle distance.

"He's a horse that's needed time and I think he'll be better over more ground," he said.

The lightly-trying Serpent credited Goodwood Stud resident Chinese Dragon with his second winner at Pukekohe today.

At just his fourth appearance, the three-year-old led all the way to post a clear-cut victory over 1600 metres.

"He was a bit unlucky at Tauranga last time and never got a run at them," Baker said.

Bred by Goodwood and raced by Scott Richardson Bloodstock, the chestnut is out of the Irish-bred mare Twizzle.

A daughter of Arazi, she is from a well-performed European black type family.

The filly finished runner-up at her latest start at Ellerslie over 2100 metres behind Chinese Dragon's promising staying son Serpent.

He will attempt to complete a hat-trick of wins when he takes aim at the Listed New Zealand St Leger.

Bred by Goodwood Stud, Serpent has made strong progress this season and looks on the verge of stakes success.

Chinese Dragon will be further represented in the opening event on the Wellington card by recent winner Little Dragon Girl.

### **Stakes Victory For Chinese Dragon**

17 MAR 2013

**Serpent** produced a royal result at Trentham for Goodwood Stud when he triumphed in the Listed Lincoln Lodge New Zealand St Leger to credit his sire Chinese Dragon with his maiden black type success.

The three-year-old is from the first crop of the Palmerston North-based stallion son of Stravinsky who was a Group Two winner in the United States where he was also placed at the highest level.

"He hasn't had many to the races and his strike rate isn't too bad at all so hopefully there's going to be many more to come," Goodwood Stud's William Fell said. "We bred and sold this horse so it's a great result for us."

A **NZ\$25,000** Select Sale yearling at Karaka for Scott Richardson Bloodstock, Serpent was making his sixth raceday appearance at Trentham and lead-up wins at Pukekohe Park and Ellerslie encouraged trainers Murray Baker and Andrew Forsman to target the St Leger.

"He's always showed that the further he goes the better he'll be," Forsman said. "Three-year-olds are well off in this race. Harris Tweed was fourth in it and then ran second in the AJC Derby so there's options open."

Serpent was ridden by Vinnie Colgan who allowed the chestnut to roll to the front and was largely left alone at an easy pace.

"I wanted to be positive early and they handed it to me and I got away with cheap sections," he said. "With 54kg I thought he'd be hard to catch in the straight. Next year in the open handicaps I think he's going to be pretty special."

Serpent rallied strongly in the run home to claim major honours at the expense of Juggernaut Rock and Star of Tralee.

### **Melbourne campaign on the cards for NZ St Leger winner**

19 MAR 2013

**Serpent**, the latest stakes-winner to emerge from the classy Murray Baker-Andrew Forsman stable, has a possible Australian date, but it won't entail clashing with his headlining stablemate It's A Dundeel.

In the same afternoon last Saturday that It's A Dundeel completed a Sydney Group One double in the Randwick Guineas at Warwick Farm, Serpent completed a hat-trick with his first black-type win in the Listed Lincoln Lodge New Zealand St Leger at Trentham.

While mention was made at the time of a possible Australian Derby tilt with the emerging son of Chinese Dragon, it's more likely that if he does head across the Tasman this autumn, it will be to Melbourne rather than Sydney.

"The VRC St Leger could be the race for him," co-trainer Murray Baker said today. "There are some nice staying races for three-year-olds in Melbourne at this time of year and I think he's the right type for them."

Serpent cleared maiden company at his fourth start with a win over 1600 metres at Pukekohe in late February and stepped up to a middle-distance in impressive style in a special conditions event on the first day of the Ellerslie carnival. He was the only three-year-old in Saturday's 2500-metre St Leger and proved too strong for his four-year-old rivals after leading from barrier rise.

The A\$150,000 VRC St Leger is contested over 2800 metres on April 25 and the Flemington version of the world's oldest classic remains restricted to three-year-olds. Before a final decision is made on a Melbourne campaign, Serpent is likely to start in the Gr. 3 Higgins Manawatu Classic at Awapuni on Saturday week.

"It will mean dropping back to 2000 metres but it's the right sort of race to take him a stage further," commented Baker.
