

## Sire Starting To Fire:

**CHINESE DRAGON** is a magnificent looking Stallion, son of the Champion Sire STRAVINSKY, whose world-wide progeny have earnings over AU\$100 Million and produced 73 Stakes winners, with a staggering 72% winners to ratio.

Foaled in the USA, CHINESE DRAGON was purchased by **Coolmore Stud** and won his 2yo Maiden in Ireland over 1200m, before transferring back to the USA the following season.

A brilliant **winner of 7** of only **13 starts**, an earnings over **AU\$520,000**, he enjoyed a tremendous 3YO season winning 5 of his 6 starts, 3 at Stakes level, all at a mile, which included the GR.2 San Francisco mile defeating GR.1 winner BECRUX and dual Stakes winner VEGAS LORD.

CHINESE DRAGON is out of Fabulous Fairy, a winning daughter of Champion US Sire ALYDAR, and the English 1000 Guineas (gr.1) winner Fairy Footsteps. FABULOUS FAIRY is the 1/2 sister to the dam of triple GR.1 winner DESERT PRINCE, Gr.1 Sire in Australia & Europe.

From only **15 starters**, CHINESE DRAGON has already produced the dominant Stakes winner of the New Zealand Leger **SERPENT** (view video above) and the Stakes placed **GRACE O'MALLEY**, along with winners **LITTLE DRAGON GIRL & HOT CHA**.

A strong feature of his high fertility is the conformation of soundness with correct foals and plenty of bone. This is evident in the fact that his progeny have average **5 times his service fee** in the sales ring, selling up to **\$120,000**.

As for his conformation... he has an attractive head, big shoulder, plenty of scope, and displays loads of power and athleticism. One of "**The Dragon's**" greatest attributes is his easy going nature, making him an easy Stallion to handle both in general and in the breeding barn.

With a substantial number of progeny yet to race, **CHINESE DRAGON** definitely looks like becoming one of NZ's most influential stallions.

Currently standing at Goodwood Stud, North Palmerston, he is...

Great Value at **\$4,000+GST**
